

Simmons Awards 2018 (G1s)

Harvard Center for Biological Imaging

The Harvard Center for Biological Imaging is pleased to announce the 2018 Simmons Award call for proposals. This is a funding opportunity for all Harvard graduate students made possible by generous funding from Dr. and Mrs. Daniel Simmons. The grants are to be used to fund the usage of microscopy systems within the HCBI and will run through the 2018-2019 academic year. Available funding will be divided among the applicants.

Please submit this application form (not to exceed the visible portion of the text boxes) to hcbi_admin@fas.harvard.edu along with your Project Registration Form.
